

Girl Scouts of Virginia Skyline Troop-Opt-Out Form Cookie Program

In addition to the five key leadership skills, girls learn from the Girl Scout Product Programs, troops earn profits for their sales to help defray the costs of their troop-planned activities. Troops have the opportunity to opt out of receiving their product program rewards and receive \$1.15 profit per package.

Girls/troops that choose to opt out of the incentives will still receive the Pearl, theme patch and online patches, if they meet the criteria. This makes the girls in the troop ineligible for any of the other reward choices.

This is an important decision that the majority of the girls in your troop and their parent must agree to in order to participate in this option. Below you will find a chart that all the girls and their parent in your troop must sign for your troop to opt out of the GSVSC Cookie Product Rewards Program. This signed chart will need to be turned in to your Council Product Program Manager by January 15, 2024. Email the form to productsale@gsvsc.org. GS Troop # _____ has agreed to opt out of the GSVSC rewards program. Our troop would rather receive \$1.15 profit per package. The girls/parents understand that this majority agreement applies to all girls in the troop. Troop product Program Managers may not sign for any girl.
