

Skyline Adventurers

Challenging You to Challenge Yourself!

Founded in 1986, the Adventurers turned 37 in 2023! The Skyline Adventurers were created to give older Girl Scouts (ages 11+) a place to challenge themselves to try new, exciting, and different outdoors activities like kayaking, rock climbing, backpacking, caving, hiking, and other similar high-adventure activities. They also love to travel — regionally, nationally, or overseas to World Association of Girl Guides & Girl Scouts World Centers.
