SUMMER EXPLORE ANYTHING

OR

SEAPIE TROOP

PATCH REQUIREMENTS

Don't be left out!!!! Be sure your Troop is recognized as a **SEAPIE TROOP!!!!**

First, you may ask, what is a SEAPIE? He is the adorable little creature you see with the sunglasses and sandals, announcing SUMMER EXPLORE ANYTHING PROGRAM.

Here's how your Troop can become a SEAPIE TROOP. The troop must hold at least 3 different summer activities between the time school is out in June and when it begins again in August or September.

The SEAPIE REPORT FORM is printed on the back of this page.

If your troop wants to become a SUPER SEAPIE TROOP, here's how. First, you must be a SEAPIE TROOP, and then if 10% of the troop members attend Girl Scout Camp this summer you become a SUPER SEAPIE TROOP.

When you have completed all the activities, order the patches from the Skyline Shop!
