***Vendor Approval:** Required – when using a Vendor/Outfitter to facilitate the high adventure activities.

Activities Permitted for: See “Activities at a Glance” chart below for grade level permissions.

About the Miscellaneous Activities

STEM, Arts, Crafts. From crafting and the arts, to STEM projects, girls create, develop, and engage in a variety of projects. The activities are broad and varied and can include painting, pottery, beading, sewing, astronomy exploration, and engineering design and investigation, to name just a few.

Land Sports. Depending on location, these sports can be played year-round or during a specific time of year, indoors or outdoors. The category is intended to include all land sports, including soccer, basketball, flag football, softball, hockey, basketball, tennis, and more.

Laser Tag. This popular activity usually takes place at an indoor venue but can be done outdoors as well. This tag game is played by using laser guns with infrared beams. Laser tag vests or other types of specific clothing may be used and, if so, are available at the facility. This is a fun and exciting way to learn teamwork and good sportsmanship as well as healthy camaraderie!

Segway. A Segway is a personal transportation device that has become very popular in tourist areas. It's an automated standing cart-like machine with two wheels and a steering bar. Not quite driving, but close to it. Helmets are worn for Segway and this activity is recommended only for Seniors and Ambassadors.

Skateboards. Skateboarding is a land activity in which a person can ride in a standing or crouching position using a variety of boards and wheels and propelling themselves by occasionally pushing one foot against the ground. Helmets and wrist guards are required.
