

**Girl Scouts of Virginia Skyline  
Troop-Opt-Out Form  
Fall Program**

In addition to the five key skills girls learn from the Girl Scout Product Program, troops earn profits for their sales to help defray the costs of their troop-planned activities. Troops have the opportunity to opt out of receiving their product program rewards and receive 22% profit on total sales.

Girls/Troops that choose to opt out of the incentives will still receive the theme patch, online patches and Council Charm Bracelet if they meet the criteria. This makes the girls in the troop ineligible for any of the rewards choices.

This is an important decision that the majority of the girls in your troop must agree to in order to participate in this option. Below you will find a chart that all the girls and parents in your troop must sign for your troop to opt out of the GSVSC Fall Product Rewards Program. This signed chart needs to be in to your Council by October 14, 2022. Email the form to [productsale@gsvsc.org](mailto:productsale@gsvsc.org). It is available only to those troops that have majority agreement from all girl members and have turned in this form by the October 14, 2022 deadline.

GS Troop # \_\_\_\_\_ has agreed to opt out of the GSVSC rewards program. Our troop would rather receive 22% profit of their total sales. The girls/parent understand that this majority agreement applies to all girls in the troop and that they will receive the theme patch, online patches and Council Charm Bracelet if they meet the criteria. This signed and dated form must be turned in to your Council by October 14, 2022. Troop Program Managers may not sign for any girl.
