## Tips for Submitting Great Award Nominations

***Help make sure your candidate receives the recognition they deserve.***

- Look through the Adult & Girl Recognitions Summary booklet (#4053) to see what is available.
- Check to see if the award has a deadline, not all do but some are due by October 31.
- Keep in mind the award criteria and match the award to the candidate's service.
- Check to see what awards the candidate may have previously received.
- A list of past award recipients is on the GSVSC website.
- Be specific, details are important.
- Name or list activities, events, etc., who benefited from her/his actions, dates and duration.
- List above & beyond aspects. Expectations of the position are not considered above & beyond.
- Avoid generalizations such as, "she gives 110% " or "she has done every job in Girl Scouts".
- Remember there is no progression in awards (exception is the Thanks Badge II).
- **The nominator may not write a letter of support.**
- If the nomination requires 2 letters of support, there must be 3 people involved.
- Letters of support may be needed from other service units or regions (Council map on page 3).
- Letter of support writers should give supporting data, not copy the nominators statement.
- Only information contained in the nomination and letters of support will be considered.
- Submit nomination and letters of support together in one packet if at all possible.
- Please allow enough time for processing. Nominations are sent to recognitions committee members throughout the council for review.
- Some awards also require board approval. In that case a summary of the nominations along with the committees' recommendation is forwarded to the GSVSC Board of Directors.
- The nominator will be notified when a decision has been made.

Send nominations to Council Recognitions Committee  
Email to [adult\\_recognitions@gsvsc.org](mailto:adult_recognitions@gsvsc.org) unless otherwise noted on the form.
