

Introducing our new and improved Media Stars Patch Program!

Media Stars Patch Program:

Girl Scouts in the Media

Join in the fun and receive FREE PATCHES for helping us spread the good news about Girl Scouting!

Share your great news of Girl Scouting with your local media! Earn this put-together patch over the Girl Scout year(s). Your first media story/highlight/mention gets you one main base patch and one star rocker. Your second story gets you a new star rocker; third story another star rocker, etc.

Step 1: Your troop/Girl Scout makes the local news for a Girl Scout activity!

Step 2: Share the news with us at info@gsvsc.org

Step 3: We'll mail to each girl involved 1 main patch and 1 star rocker/segment earned for that media (print, TV, radio, online, or social media); earn the other star rockers with more Girl Scout media stories!
