

# What the Leaders of Tomorrow are doing Today.

Founded in 1986, the Adventurers turned 30 in 2016! The Skyline Adventurers were created to give older Girl Scouts (ages 11+) a place to challenge themselves through diverse outdoor activities such as kayaking, rock climbing, caving, hiking, and other high-adventures. Adventurers also travel – regionally, nationally and overseas, including trips to the World Centres of the World Association of Girl Guides & Girl Scouts.

## Adult coordinators are needed!

Adult volunteers serve as the mentors to these girls as well as coordinate Adventurers' events. Training is provided and may include team-building, get-acquainted activities, event training, group trip training, water program activities and fun stuff like geocaching! Other trainings are also offered as needed for the activities that the girls choose.

## How can adults get involved?

### Event Leaders & Coordinators

Volunteers are the backbone of Adventurers. They are adults who are interested in challenging activities and are willing to help girls plan and carry out individual events. We provide the training via our fun Wild Women's Weekend.

### Wild Women's (and Men's) Weekend

- Sharing ideas and resources
- Networking with other coordinators
- Learning the basics of planning an Adventurers event
- Fun, food and fellowship
- Opportunities for adults to experience Adventurers activities
