To serve God* and my country,
To help people at all times,
And to live by the Girl Scout Law.

GIRL SCOUT Law

I will do my best to be

honest and fair,
friendly and helpful,
considerate and caring,
courageous and strong, and
responsible for what I say and do,

and to

respect myself and others,
respect authority,
use resources wisely,
make the world a better place, and
be a sister to every Girl Scout.

MAKE THE WORLD A BETTER PLACE!

Girl Scouts make the world a better place to build courage, confidence, and character, empowering girls to reach their full potential while tackling real-world problems.

How can you make the world a better place? Maybe volunteer at a pet shelter or clean up litter at a park. Draw a picture in the frame above of what you would do.

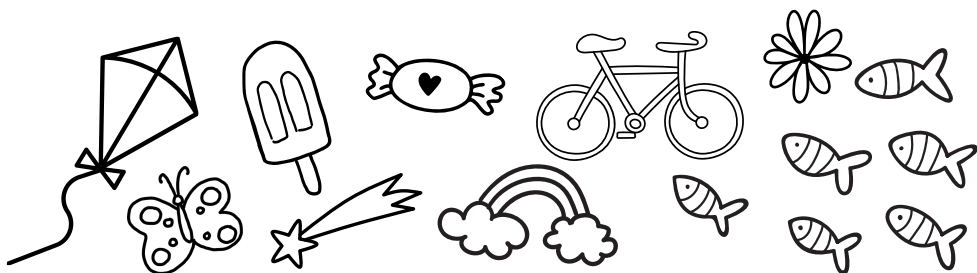

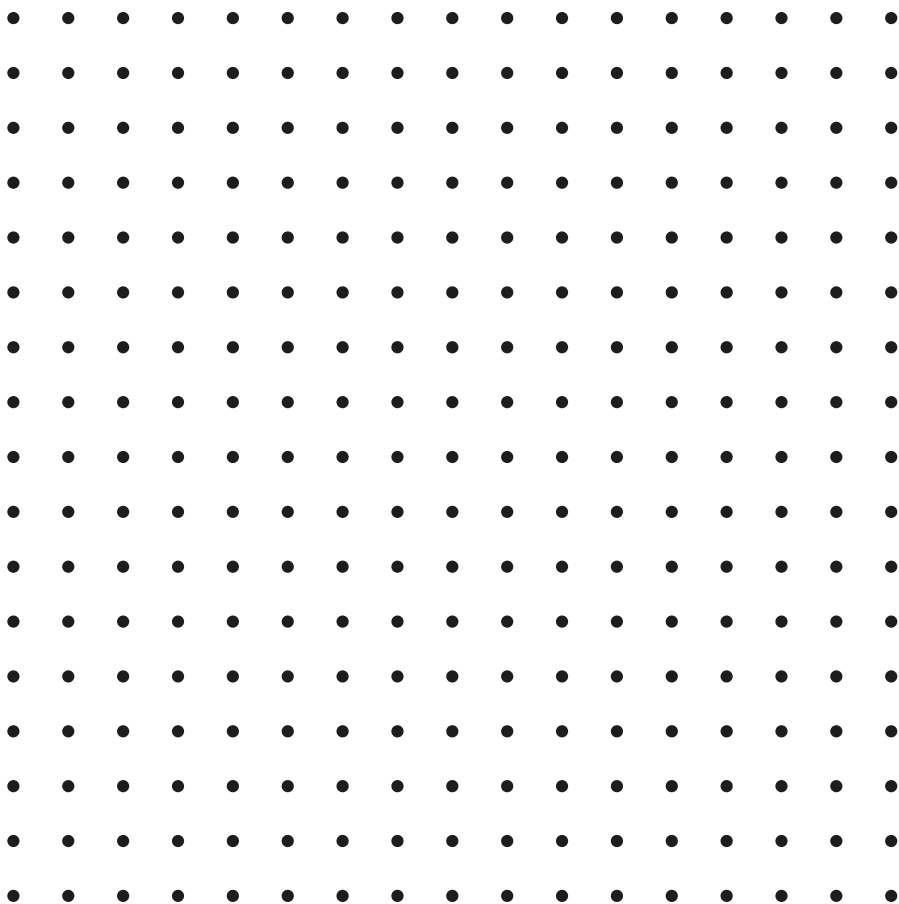

DOTS & BOXES

Players: You'll need a friend to play this game. You can have up to 4 players.

Goal: To get the most boxes as you can.

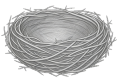

How to play: Each player picks a color pencil or marker and takes turns drawing lines on the dots, either up/down or left/right (no diagonals). When a player closes a box they get to color it in and go again. The player with the most boxes when the grid is complete is the winner.

NATURE BINGO

Let's play a game of Bingo. Look around for the items below and mark them off once found. To get Bingo, you have to mark off a full line. It can be either across, up or down, or diagonal.

Leave No Trace! We are guests in the home of plants and animals! To keep their home safe, please take only pictures and leave only footprints. If you find something on your bingo card, mark it with a pencil or take a photo—but leave the item exactly where you found it for others to enjoy.
