

Girl Scouts of Virginia Skyline Troop-Opt-Out Form-2025-2026 Cookie Program

In addition to the five key leadership skills, girls learn from the Girl Scout Product Programs, troops earn profits for their sales to help defray the costs of their troop-planned activities. Troops can opt out of receiving their product program rewards and receive an additional \$.10 profit per package.

Girls/troops that choose to opt out of the incentives can earn the patches, the String of Pearl and the Top Achiever award if they meet the requirements. Opting out of rewards makes the girls in the troop ineligible for any of the other reward choices that you see on the order card.

This is an important decision that the majority of the girls must agree to in order to participate in this option. All girls and their parents/guardians in your troop must sign for your troop to opt out of the GSVSC Cookie Product Rewards Program since it will impact all girls in the troop. Please have them sign below and submit the form to the council at productsale@gsvsc.org by January 15, 2026. GS Troop _____ has agreed to opt out of the GSVSC rewards program. Our troop prefers to receive an additional profit of \$.10 per package. The girls/parents understand that this majority agreement applies to all girls in the troop.
