

**Girl Scouts of Virginia Skyline
Troop-Opt-Out Form
Fall Program**

In addition to the five key skills girls learn from the Girl Scout Product Program, troops earn profits for their sales to help defray the costs of their troop-planned activities. Troops have the opportunity to opt out of receiving their product program rewards and receive 22% profit on total sales.

Girls/Troops that choose to opt out of the incentives will still receive the theme patch, online patches and Council Charm Bracelet if they meet the criteria.

This is an important decision that over 50% of the girls in your troop must agree to participate in this option. Below you will find a list that all the girls and parents in your troop must sign for your troop to opt out of the GSVSC Fall Product Rewards Program. This signed list needs to be sent to GSVSC at productsale@gsvsc.org by October 20, 2025. Please put "Opt-Out" in the subject line of the email.

"GS Troop # _____ has agreed to opt out of the GSVSC rewards program. Our troop agreed to receive 22% profit of the total sales for the troop. The girls/parent/legal guardian understands that this majority agreement applies to all girls in the troop and that they will receive the theme patch, online patches and Council Charm Bracelet if they meet the criteria." This signed and dated form must be sent in by October 20, 2025 and the Troop Program Managers must not sign for any girl or parent.
